March 2022

Dear members of SUITMA family,

Please find below the third SUITMA Newsletter. It brings some news from pandemic time. We hope, despite its shortness, that you will find it interesting. We need, however, your help in preparation for the following issues. Please send us any information you would like to share with SUITMA Family - info about upcoming events, new books (in national languages, too), reports etc.

Follow also SUITMA web site: <https://sites.google.com/site/wgsuitma/>

UPCOMING EVENTS

We would like to draw your attention to several SUITMA-related events scheduled in the future.

1 SUITMA 11 in the metropolitan area of Berlin 05 - 09 September 2022

Local organization team of SUITMA 11 decided to organize SUITMA 11 as an online conference. This way, Organizers plan to maximize reach, and offer event almost for free. You will find more information at <https://suitma11.org/> Thomas NEHLS (thomas.nehls@tu-berlin.de) and Bjoern KLUGE (bjoern.kluge@tu-berlin.de)

2 On behalf of the Bydgoszcz-Toruń Branch of the Polish Soil Science Society and the Faculty of Earth Sciences and Spatial Management of the Nicolaus Copernicus University in Toruń, we cordially invite you to the **3rd SUITMA International Seminar**, focused on current problems of urban, industrial, traffic, mining and military areas soils research.

Date and place of the seminar: 20th May 2022 in Toruń, Poland. Participation in the seminar is *free of charge*. Event will be organized in hybrid model, participation is possible in traditional **face-to-face** form, as well as online. The seminar info and registration form are available from the following the link: <https://sites.google.com/site/suitmaseminar/>

SUITMA session in 22WCSS

The 22nd World Congress of Soil Science is going to be held at Glasgow, UK from 31 July to 5 August 2022 with a theme “SOIL SCIENCE: CROSSING BOUNDARIES, CHANGING SOCIETY”. There will be a SUITMA session co-convened by John Kim and Przemysław Charzyński during this event. The 2-hour SUITMA session will be composed of eight 15-minute oral presentations. Even more exciting poster presentations will be also expected. Detailed final program will be coming soon. You will find more information at <https://22wcsc.org/>
