

ALPINE SOIL FORUM

Soil management
fit for the future

14th - 16th October 2019
Innsbruck, Landhaus 1
(Eduard-Wallnöfer-Platz 3)

We cordially invite you to the Alpine Soil Forum - an opportunity to concentrate on soil management practices that help us face the challenges of the future and discuss Links4Soils project results.

lectures, excursion, poster exhibition, marketplace of ideas, workshop, exchange meeting, discussions,...
