International Workshop **Soil Classification: a powerful tool for planning Soil Conservation**

Distinguished Colleagues and Dear Friends,

*on behalf of the ESSC (European Society for Soil Conservation), the SSSL (Soil Science Society of Latvia), the University of Latvia and of the Organizing Committee, we are pleased to invite you to attend the next **ESSC International Workshop** on “**Soil Classification: a powerful tool for planning Soil Conservation**”.*

The Workshop will be hosted in Riga (Latvia) the 21st of July 2017, before the WRB excursion and is on the way to be a great opportunity for Soil Scientists to stimulate deep reflections on the strong links between Soil Classification and Soil Conservation.

Further information on the workshop (registration, logistics, accommodation, etc.), will be available on the website: <http://www.azb.lu.lv/eng/>.

We look to meet you in Riga !

Carmelo Dazzi
President of ESSC

Raimonds Kasparinskis
President of the Organizing Committee
